NOTICE

Ref: Our earlier Notices Dtd 12th March 2025 & 10th April 2025
Subject: Clearance of Personal Belongings from Common Areas

Dear Residents,

As you may recall, we at Shivalika managed to get a FIRE NOC from the Delhi Fire Services in May 2025 after 3-4 failed attempts/visits of the officials of Delhi Fire Services owing to obstructions in common areas like Stairways, Pathways, Terraces & Stilt Areas.

The Fire Officials are expected to visit the Society for their regular Fire Audit owing to rising temperatures in peak summer and recent incidents of Fire in Delhi & NCR hence, **requesting all residents to remove their personal belongings like Planters, Boxes, Cupboards/Almirahs from the common areas such as Staircases, Pathways, Terraces & Stilt areas.**

It has been noticed during the routine inspection recently that few residents have not complied with the above and such non-compliance of safety regulations can lead to cancellation of the NOC by the Delhi Fire Services.

It is once again being informed that we all at the Society have already spent a huge amount for the restoration of Fire Protection Equipment recently keeping in mind the safety and security of all the residents **and it is essential to comply with these basic norms to be strictly adhered in accordance with the NOC guidelines issued by the Delhi Fire Services which can be detrimental to the interests of Shivalika CGHS and the safety of its 110 families owing to the inaction and non-cooperation on the above referred guidelines by few residents causing inconvenience to all other residents of the society.**

We therefore once again advise you to clear the common areas of your personal belongings immediately

Looking forward to your cooperation and thanking you in anticipation.

Regards,
For Shivalika CGHS
